Subject: Last chance to register for June 17 and June 18 seminars "Brain and Cognition" and "Neurocognitive Disorders"

Date: Tue, 13 Jun 2017 12:23:49 +0000

 Laterality in Health and Disease

Dear Dr. Jeffrey Epstein,

The Luria Neuroscience Institute invites you to attend two **lecture series** that cover a wide range of topics on the relationship between the brain and the mind in health and disease. The programs are intended primarily for professionals concerned with **mental health and with brain and brain disorders**.

7 Continuing Education Credits for each day will be awarded .

The fee is \$495 per day. A separate CE credits processing fee charged by CE credit sponsor applies.

Location: Luria Neuroscience Institute, 315 West 57th Street, Ste 401, New York, NY 10019.

1. Brain and Cognition: A Cognitive Neuroscience Lecture Series

Date: June 17, 2017 (Saturday).

Time: 9am - 6pm (with a lunch break and two short breaks).

Topics to be covered:

- June 17
 - Neural mechanisms of arousal and attention, and attentional disorders.
 - Neural mechanisms of memory and amnesias.
 - Brain development, brain aging, and current concepts of neuroplasticity.
