Attachments: Est_910_from_Subbase_Drydock_113124.pdf; Wire_Transfer_Instructions.PDF

anna, daphne and i spoke with Gene and Gene Jr. and the best we were able to do was negotiate a 3,227 or 5.1% discount for final price of 60,000

this includes muffler parts, installation and painting and lay days at subbase dry dock

work will take approximately 3 weeks

bosco leaves town tomorrow so carlos will bring barge in and pickup the sooner of when you leave residence or 8/28

daphne will reach out to boyson to secure availability of their barge for necessary runs in our barges absence

please advise if ok to proceed with muffler and paint job

thank you

Dear Anna:

Please review the attached estimate. Feel free to contact us if you have any questions.

I am also attaching the wire transfer instructions. We do need a 75% deposit as we will be ordering the mufflers.

We look forward to working with you.

Sincerely,

Debra Lowry
