Still trying to get apt done. Was supposed to move in on the 18th but not ready yet. Should be next month some time. Getting really frustrating.

Erik Gordon has reared his ugly head again and is threatening to sue half the people for his intervention that were there..basically only the ones who have a public persona so he can try and extort money from them.

Sent us all a complaint saying horrible things about us all and threatening to file it if we don't settle. I'm sure you can empathize.
