You do so much good ,noble prize confernces ,donations to health etc.Just one grant like the JE NY HIGH SCHOOL Science Scholarship and one for Literature to send a ny High School Kid to college.This is what you need to do .Parties unles for a worthy cause African Poverty etc out.Publicly no women under 35,Do this for 2 years and you will be fine because while you are doing good some major clown is screwing up a la Charlis Sheen.You deserve a great reputation and you will get it back.best your friend Jonathan
