jeffrey-- i told [REDACTED] i'll come to her today to pick up and asked for a time and place that'll work for her.

she send me an email this morning at 10 or so saying noon at a place called cognac. at that time i am already on my way to bay ridge for brunch with friends at a new joint. by the time i check her email it is already 12:30. even if i got the email on time, i couldn't have made it to cognac from bay ridge on time. she went there without a confirmation from me. when i said i didn't confirm, she said you told me to name the time and i did.

i am meeting her again-- i live in park slope and it will take me at least an hour to get to UES. i told her that.
