Dear Mr. Epstein,

Thank you so much for your invitation. It is very kind of you. Most likely I will be already in NY and it will be a great honor for me to participate.

Thank you once again for your invitation!

Dear Mr. Jeffrey Epstein,

First of all, I would like to thank you once again for your generosity, kindness and support! The support you offered me is extremely generous and I appreciate it with all my heart. It is wonderful to know, that there are still such kind and generous people in the world like you, who value and support Arts and Science. I was delighted to hear from Dite, that you yourself love playing the piano! Who knows, maybe in the future we will have a chance to perform something as a duo in some event? For me that would be a great honor.

I'm writing to inform you, that today I received good news from my parents' friend in Chicago. She contacted her friends in New York and one of the families replied that they would be happy to have me live at their place. So now, when the family who agreed to host me appeared and I finally have accommodation in New York, we no longer need to contact Juilliard's Residence Hall and ask if they still have free space for me.

Anyway, I would still like to thank you for all support and help you have offered to me. I highly appreciate your kindness and generosity, as well as your contribution to Art and Science. I do hope I will have a possibility to meet you in person during my stay in New York.

Many thanks to you once again,

Kind regards,
