Ok on art – I will have a couple of cost questions to pose on a couple of items. I know LDB has a memory of hammer price so long term I'd like to put in hammer price in the schedule so it makes more sense to LDB when the cost has FX conversion, sales tax et.

And on other item (thank you ad infinitum), definitely to the school. I need to work out with ex the school situation. Son had gone to special school for 6 years and following divorce was in public with outside tutors/therapists. Supply and demand are pear shaped as well. Thank you again. You are good man.
