Good Night Bossman,

Sorry for the delay, Everything is going good.

Leighton is a great guy and by far he's better than all the other guys that were hired before him. He's very anal and seems like a perfectionist, which is a good thing because you like everything to be perfect. 😊
I'm just not sure what his role is as yet? Nothing has really changed and the crew still come to me to organize and purchase everything as normal.

Better Roads finished the grading of the roads yesterday but they didn't show up today because they need crusher run in order to continue.

Omar: Coming over to do stone work in Cabana 1 & 2 on August 10th Monday 9am
