Hi Rich,

I've updated the expense sheet-- thank you for sending a check for Dec 15th along with an additional \$2000 for upcoming expenses. I don't anticipate anything major at this point except for website renewals-- but like to have a cushion in advance.

I'm still waiting to hear from Tyler, who said that he had a death in his family. Hence the delay. He said that he spoke with Jeffrey and will be sending him and me a summary of how we are moving forward.

In the meantime, I am getting the main website transferred, updating content and inputting submenus to make google display the menus on their search page.

Thank you
