Forgot to mention,,

Larry Morrison quite his job at RSVP Jet, and took a temporary job with a GIV N161MM which is for sale at this time,, managed my Fairwind Aviation.,

Since he's new at this job, he's unable to fly on B727 yet, maybe in the future.

He is hopeful you would offer full time employment, if we move fwd with BBJ project fyi?

Just update

Thx
Larry
