Apparently I am not allowed to know who the customer is, so the requested procedure is that my CEO, Pam Liebman, (who does know their identity) is going to forward you the nondisclosure directly. Is it ok to pass along your email address. Also, their front man will be coming first tomorrow, then will let the big cheese know whether it suits.

Clearly we are trying to get this done tonight and over to you asap.

Let me know this all suits you, my dear.

Thanks

Leighton
