Competitions have huge prizes. If you manage to win, you make a lot of money. But to win I have to work extremely hard, still improve my technique and what is most important - to get as many connections with influential people as I can. The professor in Austria, with whom I want to study, is a jury member in all major international violin competitions. My plan was to study with these influential professors not only for sake of studying but also for getting benefit from these connections for my future.

I'm very sorry I disappointed you.. I'm working on my plan:

I have concerts scheduled for near future in Lithuania and in Italy;

I am working on getting more performances: emailing concert companies, organizations, music festivals;

I'm discussing a process of releasing a CD with one of the leading classical music labels;

I'm planning to participate in an important violin competition and therefore I need to work very hard on getting ready for it, learning new music and improving my technique.

Jeffrey, you are right. You already did for me way more than I deserve. I really feel bad every time I have to ask your help and I feel miserable I cannot support myself for now..I don't want to seem like one who takes advantage and asks for money.. I just wrote about it because when we talked about it, you offered your help and said that you will take care of this masterclass in Italy as well as classes in Switzerland and Austria.

Once again, I'm greatly thankful for everything you did for me, your help was immense and I will never be able to pay you back for everything you did for me. Therefore, I will understand if you change your mind and decide to cut your funding...

wire to where?

This morning I contacted the administration for masterclass and asked if it was okay to pay participation fee now, together with the application fee and accommodation. In this case instead of doing two wire transfers - one now and other in beginning of August - there was only one transfer, which I believe would save money and time.

They approved that it's ok to send all amount at once. It would be:

Application fee - 80 euro

Accommodation - 363 euro (11days)

Participation fee - 300 euro

-

Total of 743,-Euro
