Sneaky dog, I want to use the points you gave me to buy a coat for winter. What do you think about this style and color ? (avoid my face 😊)

Also thank you so much for letting me visit [REDACTED] parents! Her mother had a bday yesterday so I called her and said that I might come. She was very excited to hear that :) so sweet ! I was thinking to leave after [REDACTED] around dec 22-23 and come back on 27th and 28th we have to move out downtown ...and if I understand January 1-6 w you on the island ?
