Stephen,

Great. I will let the bank know we have a deal.

Please send the \$500k deposit to escrow and make sure you reference the aircraft serial number (s [REDACTED]) or tail number ([REDACTED]) on the outgoing wire so that the funds can be easily identified by IATS, upon receipt.

The bank will need to do their due diligence on the FSF, LLC so I'm sure they'll have some general questions in the coming days.

Looking forward to working with you.

Stephen,

The bank is prepared to accept \$18.5m with a \$500k deposit. The inspection should consist of a visual, logs/records review, borescopes and test flight which should all be performed at Pentastar Aviation in Pontiac, MI.

Let me know if these terms are acceptable and if so deposit \$500k into escrow with IATS (I can send wiring instructions if needed) and we'll prepare the Purchase and Sale Agreement.

Thank you,

Would you be willing to simply evidence the recent prebuy inspection, test flight and close or would you still require 144 mo and full prebuy inspection again?

I think 18.5 is the right number I'd go to 18.6 if agreed quickly. as you are aware some other sellers are as anxious. but i prefer the low time. [REDACTED] was the 5000 only changed in jan

Mr. Hanson,

I have communicated your offer with the bank and they are willing to accept an offer of \$19m with the 144 month as part of your prebuy inspection. If this acceptable please let me know.

Additionally, I have searched [REDACTED] F and that registration is with a 2015 model Global 6000 that delivered in December 2015 to Derwin Acquisitions LLC in New York. Is this your company or perhaps is your Global 5000 a different tail number?

Thank you for your interest and I will look forward to hearing from you.
