i spoke with [REDACTED] on friday and reassured her that she was doing a good job and that we wanted her to continue working for us
she was happy to hear i appreciated her hard work and said she was willing to work for us and no longer wants to quit

She cleans and cleans and keeps getting told she is not doing a good job and she is exhausted and feels it is time to let someone else have a go at it. She says she can continue to clean until a new person is found... But she wants to quit.
