Cecile:

I didn't see the permit today but heard from JP about apparent misconceptions that he feels Mr. Epstein may have about his permitting process and discussions and agreements that were made with Bobby deJ and LSJ's previous legal counsel. I told him to either talk with Maria Hodge and Jeffrey tomorrow or send the doc for my signature. I'll keep you posted.

Good afternoon Bob,

Please let me know when you are back in your STT office and have signed the permit for LSJ. I would like to send someone down tomorrow to pick it up, if possible.

With warm regards,

Cecile
