see email subject file maker memo

just for fun try to read this page and remember this is the solution you were sold and have to support vs Apple Server and File Maker which one sounds like a better fit for Jeffrey?

Microsoft, Cisco, and Citrix or Mac OS X server and File maker??? mmmmm I think the choice is clear.

<http://www.brianmadden.com/blogs/gabeknuth/archive/2010/01/12/microsoft-and-citrix-is-there-a-competition-brewing.aspx>
