you know littel!!! you are 100 % right .. uae today said that this could take years .. oman says it will finish soon. MBS should know that he must end this peacefully, yemen too. the longer both fronts take, the less chances he has. These are two big to handle bcz it involve lives and money .. you dont want saudies to start questioning his calls .. there are some tribes who have relatives here and there .. there lives are not the same + iran must be very happy .. this is only my opinion, i could be wrong ☀

as you are aware , i know littel of politics. its seems to me that the really big winner in the qatari mess is IRAN. no focus on them and saudi having another front and area destabilized , thoughts?
