Hi Nicole and Darren

Please inform me if you'll be available for a teleconference with Reporty CEO and team today Wednesday 5pm GMT.

(4pm GMT is also possible if that's better for you).

If you're available please send me your phone numbers.

Hi all

I'm trying to arrange a telco with Elichai (CEO) and his lawyer re Reporty, Next Steps and Q&A.

I prefer to start it on 1700GMT (1800 in Berlin, 1200noon in NY)

Please let me know whether this works for you.

Assuming we will get satisfactory answers I prefer to move towards concluding the TS before the end of the year.

My IL lawyer will probably attend from IL as well. I'll be in London.

Pl provide me with tel numbers as well as your availability and names on Skype/FaceTime.

Feel free to contact me beforehand if necessary.

Looking forward

Best
