Hi dear Jeffrey, I was really happy to see you!

I thought about it and I'm confident about starting the [REDACTED]. When I finish (and even before) I can be a Health Coach and then, as Deepak advised, I will get certified as a Nutrition consultant, so I can use C.N.C. after my name... I think I can definitely earn money as a wellness [REDACTED], some women who take my private yoga classes already said they would love to hire me. Plus, that career goes together with my personal interests.

I plan to ask [REDACTED] to help me with the tuition, the Institute is not that much, I think it's about 5K. And may be I will ask him if he needs an assistant :) I haven't heard back from him so far, may be he doesn't use his "second phone" on the weekend.. I will write him on Monday again.

Ideally, I also want to take a course or two in Columbia on Nutrition, and may be later if things work out I can put it towards the Masters Degree. I will ask L if he can help.

Otherwise, Jeffrey if you hear or think about any job opportunity, please keep me in mind! Or if any of the beautiful ladies you know want to take a private or semi private yoga class I'm here!

Xx [REDACTED]
