I spoke to leon and its fine to sell vif and soma. He also signed the certificate of limited partnership for the art partnership. Later today/this week let's continue to lock down cash flow that hopefully (a) pays out the \$17mm 2014 interest (b) creates sufficient cash buffer for ldb after paying january tax payments after the grat payments come in (JEE/Richard, I believe you're ok with tax payments on the 24th vs the 15th) and (c) situates us sufficiently well for february thru april. I also wdnt mind continuing to discuss our ability to "painlessly" set up a working capital facility even tho we/leon haven't decided to do this yet. B
