Just arrived in london. Horrible. Rain. Wednesdasy Amsterdam. And you? When are you going to Paris ? I have finalized the Plus size dept. I called it MCPlus. I though it could have been JEF. But nobody would have understood. J. E. F avorites Also I think that Miami is OK with thje Talent Division.
I am happy that I have followed your advice on Fred's partnership. I am not sure of his long run capacities. One thing sure. I am not getting any younger. Also I am not going to vote for the second round. I don't like Sarkozy neither the socialists. In England, they say if Sarkozy was an ice cream he would lick himself
Hope everything is good for you. VS is opening in London guess the magic guy is missing there
