no change...I was careful to make clear that if this takes away from how I feel about flying, I will have to stop. with notice.
I can do tomorrow as promised. It's up to you if you want to bring Dave instead

It simply means I can not be flying you around with another girlfriend without violating your restrictions and mine. I'd rather give up flying than ruin it. If that also means I can't attend GIV school, I guess I won't

Ok. That should also end my flying with you.
I won't cancel wednesday's flight I already committed to, but my future flying is no longer going to work.
I trust this is an appropriate notice. If it's not and you need me to fly again, I will help as long as necessary.
