Jeffrey,

GIV opinion update:

I was just on the phone with Sean,,he is always willing to help out,,,I told him we have made no decision on GIV 1030, but told him I wanted his opinion on CMP Run, since I have access to full records on the GIV. Larry Morrison has reviewed, I have reviewed and Sean also.

Sean said it was most impressive, and the maintenance director has done a fine job with the records, only item due is some 24 month items in Dec 2013, otherwise, its clean,.

I am looking for any reason that would tell me this isn't a good deal...only remaining item is your interior viewing in person, borescope of engines and complete auto pilot checks, from my stand point we are in good shape.

thank you,

Larry
