Introducing Flipboard for the Web

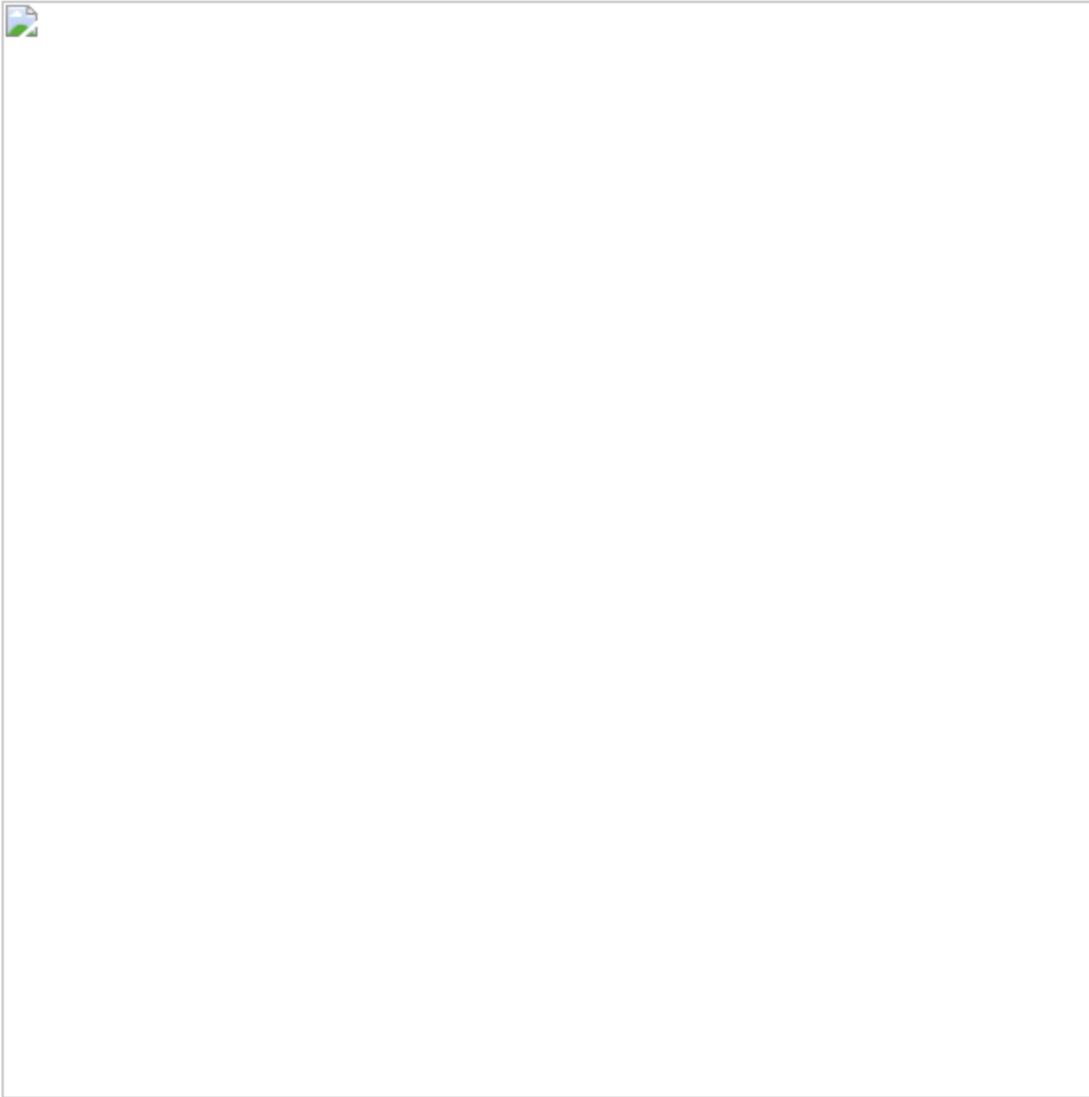

It's here—Flipboard for the Web. Starting today you can sign in to flipboard.com to browse your Cover Stories, catch up on anything you're interested in, and collect and share articles with friends.

In this new edition, we've re-imagined Flipboard for the browser, taking advantage of larger screen sizes and a scrolling interface to deliver beautiful, new magazine layouts with full-bleed images and elegant animation. We hope you enjoy it!
