Classification: For internal use only

Dear Jeffrey ,

After you have successfully logged in with the temporary password, shown below, you will be asked to change it.   In setting your permanent password, the following rules **MUST** be followed:

* Password <u>MUST</u> contain a **$** symbol
* Password <u>MUST</u> be <u>at least</u> **8** characters long
* Password <u>MUST</u> be a combination of **<u>alpha-numeric</u>** characters in **UPPER-case / lower-case combination**; at least one (1) of each
* Password <u>cannot</u> contain <u>spaces OR symbols</u> (other than the $ symbol)
* Password cannot any of your previous 12 passwords
* Remember....Passwords are now case sensitive
PASSWORD: ██████████

If you have any questions about dbInsight, please contact the Help Desk at 1(800)221-2922 (outside the U.S., 001(201)593-1100, option 1) from 9:00 AM to 6:00 PM EST, Monday through Friday, or email us at ████████████████████

NOTE: Over time, cookies and cache can begin to slow down your browser because large amounts of data are saved to your hard drive.   If you cannot change your password, please review the attachment to Delete Web Browser Cookies and Cache.

Thank you,

Security Administration
