I have a wedding that I have to go to at 7PM so it will be night time I think. Is there a # I can text you at to see if you're still going when I'm finished. I may also be wiped out with jet lag - just got back from Tokyo.

I'm in New York this evening. Are you around? I have an evening thing which I'm not sure the ending time for, but if it ends at a reasonable time and you happen to be free, I thought it might be worth checking in briefly on a few logistical things. No big deal. Just checking in. ;-)
