still waiting on proposal from Best Buy (multiple calls and no feedback as i believe they are having a hard time designing even though i told them what needs to go in..)

attached is referral from RR dealer and estimate is 9,200 (more expense than 8,000 we paid Stefano)

Good morning Mr. Kahn.

Hope your weekend was well.

I just wanted to touch base with you to see whether you received my estimate regarding the custom audio installation and whether you would like for us to proceed?

Please let me know at your earliest convenience.

Thanks.

Good afternoon Mr. Kahn,

I have spoken to my installer and here is what we can offer:

- JL Audio premium speakers
- JL Audio High current premium amplifier
- Alpine Competition class compact subwoofer
- Custom made subwoofer box
- Apline HD head unit

Everything above installed will cost \$9200tx

Please advise.

Thanks.

Richard,

Does this particular vehicle have a partition in the center separating the driver from the passenger compartment?

My installer worked on a 2016 Escalade last week that had one and would like to know.

Thanks.
