Dear Jeffrey,

Such a strange thing! I have just finished practicing and while I was playing I was thinking of writing to you to ask how were you doing! And meanwhile you wrote me!! Some kind of telepathy or some other close connection...

Anyway, the news: at the moment I'm preparing for masterclass-leaving to Germany on July 18th. While financial aid for my next school year is going quite slowly.. I have couple of sponsors it's \$4,000 total.. plus I have scholarship from school \$10,000 .. though I haven't heard about the amount of scholarship I won from foundation.. I hope I will raise money for all year- would be silly and would make no sense to do first semester and then not to be able to do the second and graduate and receive Juilliard's Masters Degree..

How are you? Where are you at the moment? How is your summer going? Do you get to find time to rest or are you busy as usual?

Hope you are doing great!

Sending to you my love and big kiss,

Your [REDACTED]
