Good Afternoon,

I hope this message finds you well! The reason I am contacting you to let you know about Sea Glass Cares, Sea Glass VI's charitable fund. Sea Glass Cares was created out of the desire to give back to the Virgin Islands community that gives so much to us every day through its beautiful scenery, people, and incredible potential. Sea Glass's advisory committee goes out into the community and meets with different schools and educational programs to find ways to donate both our time and money. Current projects include raising funds and donating time for the athletics department at IEKHS and Gift Hill on St. John. We are currently exploring ways to leverage our large network of clients, service providers and partners to dramatically increase the reach and impact of Sea Glass Cares. Your company is one in the area that we thought might like what we are doing and want to get involved. [Click Here](#) to learn about Sea Glass Cares, and [click here](#) to read our blog posts where you can find more information as well!

In case you don't already know our company, we handle commercial and residential real estate sales and rentals, including vacation rentals throughout the Virgin Islands. We are happy to speak with you or your company's employees about any real estate related matters – we believe in being a resource for information first and foremost. For any real estate related questions, on St. Thomas call: [REDACTED] and on St. John call: [REDACTED]. If you would like to speak to someone about villa rentals, property management or marketing, please call [REDACTED]. You can also shoot me back an email with questions or comments!

Thank you for taking the time to read this email and I hope to hear from you soon.

Kindest Regards,
Alison Hastings
