Thanks, I appreciate it. However, I'm in the palm field now and ours won't meet the same height of clear wood as what you're getting now (15'). Ours are only 10-12' of clear wood, and I've got a total of 112 available. I also have 476 that are 6-8' of clear wood.

Perhaps Chris can hand tag your trees in Puerto Rico for quality purposes and negotiate a better price for you as well?
