[REDACTED] is asking off this Monday and Tuesday Jan 16/17....

Something to consider [REDACTED] is off all next week per you (reminder: we changed her holiday to accommodate your schedule around the holidays)

[REDACTED] will start this Tuesday Jan. 17th (she flies to NY Tues. arriving 11:25am) Jojo, [REDACTED] and Merwin will all be here. Do we need [REDACTED] to be with her next week? Do we ask [REDACTED] to delay her holiday again (she told me she has chiropractor appts ,etc and really wants to keep her appointments)

Or will Jojo, [REDACTED] and Merwin plus the girls be enough to help [REDACTED] with her first week here?

Please advise what you wish to do...
