Looking for full time job for end may when I get OPT, any interior design businesses, would love it to be in hospitality design but we'll see, working on my final studio which is hospitality now. Will be at our career fair with my portfolio and work samples I think at end of March. Companies looking to employ come and some recruitment agencies. If you could keep me in mind if you have any connections in design world I would be so so grateful. I don't think the employer has to do any work on the visa side. The school organizes the OPT visa. It runs for a year.
