Did she write "thank you" to you?

She is one of the most beautiful girls I have met. Not too smart, but could be influenced. I am going to see her again with [REDACTED] tonight (I want [REDACTED] to say how much she wanted to work with us etc). I don't think a full time assistant (looks like she is doing pretty well in modeling, not sure about how much money she made though), but I think you might just like her when you meet her.

She got back with her old boyfriend, but I don't think it will be an issue (sounds like she was lonely in Moscow, she is from a small village and brought the guy here from Ekaterinburg to stay with her). That being said, I am not sure yet, but I see a potential here.

I don't think she has much fun in life - when I asked her what did she like to do in the free time - she said she never had any!
