Projects We Love

What can you make in one quick week? This March, join us for **All in 1**, an open call for one-week projects to help you get your idea out there simply and swiftly. Learn more about the initiative — and how to get your project started — **here**.

And now, here are four new projects to explore.

By Ted Leo

Ted Leo's New Album: After years of touring, writing, and refining his creative process, indie rock stalwart Ted Leo is ready to make his next album — and he wants you to be a part of it.

By BHQFU

How to Move a Mountain: Monochrome paintings, copper tile prints, and limited-edition mosaics created in collaboration with Artspace are just a few of the rewards for backing this project to launch a printmaking studio at Zambia's Chipakata Children's Academy.

By RockPaperRobot

The Ollie Chair: Designed by an MIT-trained roboticist, this elegant take on the folding chair uses tambour — a flexible surface commonly used in roll top desks — to create comfortable, collapsible seating fit for your living room or patio.

By Glamour Dolls Makeup

Lisa Frank Makeup Collaboration: This is what (super-colorful, sparkly, adorable) dreams are made of. Choose lipstick shades, vote on product names, and get a peek at the production process when you back this Lisa Frank makeup collection.

KICKSTARTER PBC'S 2016 BENEFIT STATEMENT

We launched Kickstarter in 2009 as a new way to bring creative projects to life. In 2015, we reincorporated as a Public Benefit Corporation. Here's an update on our first year as Kickstarter PBC.
