Sorry, I have no traffic or history other than what I have just told you from Carlos, Ann or John
As mentioned we are not on site if no one forwards information we are blind.
We asked John questions about Decal - remove on or off. Asked about Housekeeping Checklist - nothing

Hi
Just as I said to you all I have is a sketch that John Christianson forwarded (Jan 9th) no pricing, company, no
approval
Brice asked if Decal could be removed and added when needed
John said he was working on checklists and if I wanted anything added to housekeeping
I asked if he could forward housekeeping for review
We never received a reply and that is the last correspondence I received from John
The decal come up with Carlos when PRD was being refurbished I asked if he had any approvals or info on
decal. He said he had seen picture and had spoken to John about it
I am sure I would have said something like, it looks like it is a no go if we have no approvals and I received
to more information from anybody. I really thought it was a dead deal
Did you approve decal? If so does anyone have design details/company etc
