He told me that he is trying to work out but he will not be able to confirm until Friday or Saturday this week. He said that he will need to talk in person with Michael and Melinda and that he did not have time to do so as immediately after LA he left for Berkshire Hat. mtg and from there here.

I think that this slightly improves chances but I would still call it 50:50.
What do you think?

Is there any way that you can delay it for a week?

Try to negotiate another round price down based on recent findings?

I am still on a mtg for another 2h, just went to my room to pick up some docs and wanted to give you an update

Talk to you tmr
