Hi Jeffrey,

15 of the 43 business directories are live. The rest will be live by the end of tomorrow. I'm waiting for the new Wikipedia article to go live too as well as the premium Yellow Pages site (which gives a guarantee of a 1st page listing).

Below is my letter to EJewish Philanthropy. I reviewed how the Wexner Foundation performs in google local results and am adding your foundation to all the websites that come up on their 1st page.

I am in the midst of working on a few NY press releases.

i will send you a summary and results of everything shortly.
