Importance: Normal

Did you not read my email? I said it was 11:30pm in Europe....not the easiest time to return a business call.

I said if I did not call you, to please call me on either cell...

What was so difficult to return my call?

Now I will call you tomorrow again at 9:00am your time and 9:30am your time and 10:00am your time until I reach you.

Peggy

I have been here waiting for your call. I am now going out to a client meeting.

I would strongly suggest you find other counsel to represent you. Obviously, this is not working for either of us.

I am sorry but let me know where to send your papers/documents.

Thanks

Phil

This is a joke. I said to you that I was six hours ahead of you and it would 11:30pm my time.
(Not the most convenient time to talk.)

I did say that if I did not call you, would you please call me on my blackberry cell [REDACTED]

Why did I get an email asking me at 5:30pm your time if I intended to call you.

Why didn't you return my countless messages. What is so difficult to call me?

I obviously was out for the evening and am very sorry to say had both phones with me and not even a message from you.

Do you treat all you clients like this?

Kindly pick up the phone and call me and least have the good manners to tell me what is going on.

Peggy

Are you calling me now ? I am in my office.

I am in Aix-en-Provence that is 6 hours ahead of you. I will call you at 11:30pm my time at your office...

if you do not here from me, call me on 917 821 6862. I am looking forward to speaking to you whether I reach you OR you reach me.

I was hoping Glenn Davis could speak to you as well. When can you talk to him today or tomorrow?

And of course, Jeffrey Epstein wants to know what is going on too.

Thank you. Peggy

Peggy

I am sorry that I have been difficult to reach but I have been in a number of meetings since I returned. Nevertheless, can you call me today at 5:30 pm ? I should be back from a meeting.

Thanks

Phil: I have been leaving messages for you since you were on vacation.

When I call and am told you are on a conference call....and I suggest I call back...and I get busy...that does not mean you have not returned my call.

I know you are very busy and my job is small...but this will be my life savings. I also have a enormous following of wealthy friends who all need lawyers.

Please try to at least talk to my account Glenn Davis and or me and or Jeffrey Epstein and tell us exactly what is going on.

What happened after sending in the jewelry appraisals and has the Palm Beach apartment closed and where is that money. Where is the money from Alpine house? Where is a full accounting of my mother's estate since she died last February a year and a half ago.

Where is all my money...not just \$800,000 above what mother's will says.

You keep saying my brother "can't do anything"....well, he certainly managed to screw me out of a lot of money his whole life.

Just a bit of your attention would go a long way.

Thank you in advance.
