All being equal they will start tomorrow noting that Little Danny will be released tomorrow so Danny will have no electrical helper  
As of date this is Dannels list not including all the maintenance items - outside fans etc

Berm panel low lighting  
Beach lighting - fix and move transformer  
Helipad - fix and replace lighting  
AC repair - cost u less, storage under master,

Request that Little Danny stays on until Danny is on top of these projects

*Please note, Clement has been working on the dock, the landscaping crew completed the edging, Clement will start on the boxing that you mentioned he knows about after installing the shields at 5 Palms, or would you prefer that he does the berm area first - please advise  
Unsure which landscape lighting you are referring to, please advise , once Danny has completed the termination of the fiber he can work on this  
Thanks*
