Yes, good thought: with the sound play, *old-Colt*, the **doctor Colt** letter play, and the oxymoron *old Doctor novice* (especially when he's treating what seems like youthfulness, "growing pains," the disruption of adolescence), we're starting to have plenty of reasons. Once you start to put artistic choices to the question, all sorts of things open up--and of course answers don't preclude further questions.

Hi Jeffrey,

Sure. If you're in the EST area, I'm 8 hours behind you, a day ahead. Today or tomorrow both fine. Now or over the next few hours would be fine.
