Correct no electrical work has been completed at the Berm
All being equal they will start tomorrow noting that Little Danny will be released tomorrow so Danny will
have no electrical helper
As of date this is Dannys list not including all the maintenance items - outside fans etc

Berm panel low lighting
Beach lighting - fix and move transformer
Helipad - fix and replace lighting
AC repair - cost u less, storage under master,

Request that Little Danny stays on until Danny is on top of these projects
Please advise

Unsure which landscape lighting you are referring to, please advise , once Danny has completed the termination of the fiber he can work on this
Thanks*
