Jeffrey and Jeanne,.

my first price comparison to the equipment Jack has offered, I located a 2011 clone to the one he presented for
\$39,000.00 not sure if all shipping is included in Jack's price or locating of Jack's unit?

, however, I located a good looking unit 2011 Deere in Lexington Ky, for \$33,000.00 there will be charge for delivery in
Miami for shipment to LSJ,. this is a good comparison.
