Hello,

Thank you for your time yesterday. I contacted the owner of Apollo Electric. He is just as upset about this as I am. George, the owner of Apollo electric, and I want you to know that we will do everything requested of us. George and I have agreed that all of our employees will be made available should you wish to interview them. I have never been in a situation quite like this and as such may not know the proper protocol. Please let me know if there is anything I can do to assist.
