You didn't even let me finish what I was about to say.. When my friends talk to me I usually listen what they tell me even if I disagree. Sorry for torturing you

you have the right to an opinion of course I have the right not to have to hear it or listen to it . keep it . you should always be yourself to yourself. so far what you describe as yourself means asking me to spend my time listening to silliness based on no experinece or judgement . I have no more patience for that and I too can be myself and not be tortured listening

It's horrible that every time I speak to you every word should be calculated. I can never be myself and this is NOT what I call friendship. Are we in a business meeting ???! I was just telling you something that happened to a friend of mine and you hang up on me... This is really not nice.

Even if my opinion doesn't count I have the right to have one, EVEN if I'm wrong.
