Leeds gets a new job, so he has to take a physical.

The doctor finishes the exam and says, "Jesus, Mr. Leeds, you've got the smallest penis I've ever seen. Do you have any difficulties with it being so small?"

Leeds says, "No. I've got a great wife, two kids, and a normal sex life. I guess the only problem I have is finding it when I have to take a piss."

The doctor says, "You have a problem finding it to *urinate*? Then how the hell do you have a normal sex life?"

Leeds says, "Because when we want to fuck, there's *two* of us looking for it."

An old guy's son offers to take him to a whore house for his eightieth birthday.

He says, "I'll need earplugs, a clothespin, and a condom."

His son says, "Why?"

He says, "Because if there's anything I can't stand, it's the sound of a woman screaming and the smell of burning rubber."

Shenkle says, "When you were first brought in to your mother in her room, a petal from the daisies by her bed blew onto your head, so we named you Daisy."

It's 1946, Durkin's got a seaside bar & grill on the boardwalk on Coney Island, and business is terrible. It's midnight, the joint's empty, and just as he decides he's going to lock the door for the last time, a clam walks in.

The clam says, "Too late to get a gin and tonic?"

Durkin, says, "Nah, what the hell," goes behind the bar, and serves the clam a drink.

The clam starts telling Durkin about his hard life, sprinkled with a few really funny stories, and then says, "Mind if I play the piano?"

Durkin says, "Nah, what the hell, go ahead."

The clam sits at the piano and starts pounding away and singing his heart out. A few people walking by see him, come in, and start drinking. Pretty soon the place is full, the clam never stops, and everybody stays until closing time.

After everybody's gone, Durkin says to the clam, "You ain't bad. What's your name?"

The clam says, "I'm Joe. Want me to come back tomorrow night?"

Durkin says, "Yeah. I want you here every night."

Durkin puts a sign in the window, "Tonight, on the piano, Joe The Clam," and for the next few months the place is packed to the hilt six nights a week. Durkin's swimming in cash, there's women everywhere, and Joe's become a local celebrity.

One Monday, it's the afternoon of their day off, and Joe comes dragging himself into the bar. His shell all busted up, it's hanging off him in pieces, and he's in really bad shape.

Durkin says, "What the hell happened to *you*?"

Joe says, "I was under the pier with this hot starfish and her boyfriend caught us. He's a lobster, and he beat me up pretty bad."

Durkin takes Joe up to his apartment over the bar and tucks him into bed.

He says, "Just rest, Joe. You're going to be fine. Now, listen ... I got a date tonight with that blonde who's been coming in lately, so if we come in and I manage to get her into the bed, don't

say anything. Try to stay out of the way."

Durkin takes the blonde to dinner, they get drunk, he brings her up to the apartment, they get undressed, they climb into bed and they really go to town.

The next working, Durkin's eyes open, he remembers the night before, and he smiles.

He looks over at the blonde and says, "Did you have a good time last night?"

She says, "Oh, it was wonderful."

Durkin says, "Did you like what I did down there with my tongue?"

She says, "What was that?"

He says, "I said, did you like what I did to you down there with my tongue?"

She says, "You didn't do anything to me down there with your tongue."

Durkin says, "*Oh my God ... I ate my best friend.*"

What'd the judge say to the skunk?

How can you tell when an elephant's getting ready to charge?

Why was the broom late for school?

Because it overswept.

Where do cows hang their paintings?

In a moo-seum.

I'm a three-letter word you do all the time,

What kind of music are balloons afraid of?

END of KIDS' SECTION

An Italian guy goes up to his neighbor and says, "Ey, Tony, you like-a woman with-a big, sloppy tits, that droop-a down this-a far?"

Tony says, "No."

He says, "You like-a woman with-a big huge ass like a dump truck?"

Tony says, "Hell no."

He says, "You like-a woman with-a big, thick-a moustache and she's a smell like garlic all the time?"

Tony says, "Of *course* not."

He says, "Then why you fuck-a my wife?"

What's it mean when you go out and get drunk and wake up next to an ugly woman?

You made it home.

A hunter walks into a bar and says, "I'm the best hunter there ever was. You hand me with a hide, I'll tell you what animal it came from, and what killed it, and I'll do it blindfolded."

The bartender blindfolds him and hands him an animal skin.

He handles it for a few minutes, and then he says, "Bear."

Then he feels the bullet hole and says, "Shot with a .308 rifle."

And he's right.

The cook brings in a skin from his truck, hands it to the hunter, but then the hunter says, "Elk, shot with a 125 grain fixed broad head," and he's right again.

For the rest of the night, he keeps winning and downing drink after drink. The next morning he gets up and looks in the mirror and sees he has a black eye.

He says to his wife, "Where'd I get this black eye?"

She says, "From me. You got into bed, put your hand down my panties, fiddled around a bit, and then said, 'Skunk, killed with a hatchet.'"

If a Jewish man does something and his wife isn't there to see it,

is he still wrong?

An engaged woman, a married woman and a mistress decide that one night they're going to wear S&M-style leather, stilettos, and a mask over their eyes, and see what happens with their partners.

When they meet a few days later, the engaged woman says, "Last night, when my boyfriend came home, I was wearing the leather, the stilettos, and the mask, he said, 'Wow ... you're incredible ... I love you,' and we made love all night long."

The mistress says, "Last night, when we met in his office, I was wearing leather, stilettos, a mask over my eyes and a raincoat. When I opened the raincoat, he didn't say a word. He just grabbed me and fucked my brains out."

The married woman says, "Last night I sent the kids to stay at my mother's for the night,

and then got myself into the leather, the stilettos and the mask. When my husband walked in from work, he grabbed a beer out of the refrigerator and the remote control and said, 'What's for dinner, Batman?' "

What's the difference between a woman and a condom?
It's a lot easier to piss a woman off.

Magnusson says to Perna, "I learned an important life lesson today. I'm getting married in a few weeks and I went over to my fiancée's house to look at the wedding invitations. She wasn't home, so her mother sat me down to show them to me. And her mother's sexy as hell. As we were looking at the invitations, she started rubbing my leg. Then she worked her way slowly up to the tops of my thighs, and after she knew damn well I had a raging hard-on, she asked me if I'd take her upstairs and fuck her. I got up and left. As I walked out the front door, her father was standing there, and he said, 'You passed our little test, son. Glad to have you in the family.'"

Perna says, "So what's the life lesson?"

Magnusson says, "Always keep your rubbers in the glove compartment."

Mrs. Fecalburger walks into the Delivery Room just after her son's wife's given birth to their first baby.

Mrs. Fecalburger says to the brand new mom, "I don't mean to be rude, but that child doesn't look anything like my son."

Her daughter-in-law pulls up her maternity gown and says, "I don't mean to be rude, either, but this is a *cunt*, not a *copy machine*."

Two girls are talking.

The first one says, "I'm going to ask my doctor how many calories there are in sperm."

Her friend says, "*Why?* If you're swallowing that much, nobody's gonna give a shit if you're a little chubby."

Schneider's walking along a cliff when he comes up to a girl standing on the edge.

He says, "What're you doing?"

She says, "I'm trying to get up the nerve to jump."

He says, "Hey, as long as you're gonna kill yourself anyway, how about we have sex first?"

She says, "You *jerk!* Get the fuck out of here."

He says, "Okay, I'll just wait for you at the bottom."
