Rich had told us he had authority to split the difference and offered to wire the funds when we spoke to him. I told him not to do so, as I was not authorized to accept them at a further discount off what you owe. I gather that's what you were calling about and when I wrote you yesterday about a time to talk, instead of giving me one, you just did what Rich offered to do last week. I will report this to our Executive Committee and recommend that we do not waste resources pursuing you for the \$95k you still owe.

I hope you will send some more business our way. That way I would not feel so bad about being short-changed on the last case.
