We spent roughly 2 1/2 - 3 hours on GSJ with Philippe and Kevin, walking and driving so they have seen everything.

They requested photos from angles representing a two story building. That's what I'll be using the drone for as well as new overhead photos showing current road layout

Jeffrey,

Phillipe and Kevin asked for various drone photos on GSJ. Can I use yours or should I send my equipment over here?

I have a Phantom 4 so I'm used to operating them

Thanks

John
