i need a flat scaffolding. when i do a painting i need to move around.., i cannot use a rolling scaffolding or boom lift.
thank you,
ion

hi rich,

..it depends how soon jeffrey wants the painting on the ceiling. its going to take me probably like two weeks to complete it, and i am ready to start. i was talking to jeffrey yesterday and he knows that i need a platform to do the painting on the ceiling, i cannot use the scaffolding we have
he said get what you need and do the painting.. so , i dont know.. maybe ask jeffrey.

thank you,
ion

please let me know how soon you will need scaffolding installed
thank you

Richard Kahn
