I'm meeting with Darryl manager at gulfstream in 10min,
Sean Brown says gulfstream has a hold until payment is made, but if Dennis pays the 18k remaining that we owe, theoretically he can take his plane,
I'm making the point that we are owed 300k from seller to cover what we committed to and partially paid \$100k for prebuy
\$211k for apu upgrade,.
More info shortly

Gulfstream sent this message below, Dennis answered this email stating TRT Leasing paid Monday \$217k for their portion of the prebuy, which leaves our outstanding balance of \$18k owed to Gulfstream, I am going to meet with Gulfstream now and find out if Dennis pays our outstanding invoice, if Gulfstream will release the GIV to Terry Taylor,. I Think its to our advantage for Gulfstream maintain control of the GIV until seller responds to our email. do you agree? Gut tells me, seller wants his GIV returned so he can fly.

from Gulfstream:

All,
From my understanding the aircraft would possibly be departing the facility today. As stated in previous emails, a pre-buy inspection requires full payment from both parties prior to departure. Once a wire transfer is completed, please let me know and I will confirm receipt with Savannah. If you have any questions please let us know.
